Dear NC Officials:

The ACP is destroying my family's homeplace in the Meadow Community of Johnston County. It will pass within 150 feet of our 120 year old home. With a blast zone of 1100 feet no one will ever be able to safely reside there again. My grandfather was always so proud of the pristine springs that feed the ponds on this farm, springs that lie in the Neuse River watershed and provide life to so many people, crops and living things. PLEASE stand up and say NO to this coming catastrophe! --Stuart Lee Matthews
